## The Secret of My Success

By Celeste Clydesdale

This delightful and creative work teaches kids what God's Word really says about true success. *The Secret of My Success* opens in the offices of Bing Solomon and Associates, a company which specializes in building futures on The Rock. Follow Mr. Solomon and his young associates as they interact with Miss Morebucks, a pushy young business grad who tries to impress them with her "Wall Street Wisdom." Enjoy the Hollywood Hillbillies when they drop by the office and share a humorous song based on Matthew 19:3.

**Tuition \$80 Scholarships available. Call or email for an application:
